NOTE FROM THE JURY

Date 12/17

Time 2:07pm

The Jury has the following question:

In DEF exh. 599, in an email dated 9/21/16 from Layne to Martielli
under "Attendance" it states that Newton did not work a complete
shift and only worked 10.5 of 12 hrs. Then, in Plaintiff 26
in a 7/25 email from Curran to Perez, Curran wrote that Newton
came in on Thursday (date not clear) to make up the time she swapped
with herself.

Question: Is there an exhibit or any testimony, or an
agreement between the parties that confirms
if the time Curran writes about on 7/25 is the missing
1.5 hrs Layne references on 9/21?

JUROR QUESTION

CASE NAME: CIARA NEWTON V EQUILON ENTERPRISES

CASE NUMBER: 17-CV-03961-YGR

A question for the witness may be submitted to the Court through the Clerk during a recess or at the close of testimony. The Court will decide whether it is appropriate to ask the question. If it is not asked, do not speculate as to the reasons for the decision.

On Shall performance reviews if "1" means "no" and "5" means "yes", what do 2, 3, & 4 mean, precisely? Specifically, this in regards to Metcalfe's rankings of Newton in the email from Perez where Perez posted the rankings (dated 9/21/16)
